### Course Description

This course is a 5.2 mile loop with roughly 325 feet of climbing per lap. This is a fast rolling course with several large wash crossings and multiple small "g-out" drainage crossings. The course starts and finishes in the Competitive Track parking area. Start out heading northwest out of the parking lot on a singletrack trail. Follow this trail until it intersects a small doubletrack and heads west. Continue west and then north (approximately 1 mile) on this doubletrack until it passes through a large wash (caution, lots of sand). Proceed through the wash and continue north through the fourway intersection. Continue north for 0.5 miles. Continue straight past the tech trail junction to stay on the doubletrack for another 0.35 miles. Take a left at the "Y" split and continue for 0.1 miles. Stay to the left at the next "Y" split and continue for 0.5 miles. Turn right (don't go up the switchbacks) and continue 0.75 miles. Continue straight through a threeway intersection and follow this for 0.6 miles. Veer left through this "Y" intersection and proceed through the large wash (caution, lots of sand and rocks). Follow this winding doubletrack for 0.83 miles back into the parking area. Race venue and course map is available at <https://goo.gl/JVHtZX>.

The course will be open for pre-ride Saturday afternoon (12:00-4:00 p.m.) and Sunday morning (7:00-8:30 a.m.). We recommend all riders pre-ride the course, and bring a map, plenty of water, cell phone and not ride alone. Please pass course workers with great care.
