

TREK 2022

DISCOUNT PROGRAM

In 2022, Trek is proud to offer a product discount program once again to licensed Coaches and Student Athletes.

Because of the continuing difficulty with inventory, and the wait for backordered bikes, the biggest change to the program is that the discount is now available on in-store inventory, and to help our retailers, the discount is the same across the board.

The Discount

- 25% off MSRP at participating Trek retailers
- Shipping and assembly are not included in discounted price and are subject to retailer discretion

Who Gets the Discount?

- All practice-ready student athletes (must provide license at time of purchase)
- Licensed Level 1, 2, and 3 coaches League and Directors (You must provide your license at time of purchase.)

Which Products?

BIKES:

- Limit 1 bike per year.
- Marlin, X-Caliber, Roscoe, Procaliber, Supercaliber, Top Fuel, and Fuel Ex
- Project One bikes are excluded from the program
- E-bikes are available to League Directors and Level 3 coaches only (E-caliber or Rail only)

P&A:

- Bontrager Blaze, Rally and Circuit helmets (limited to two per year)

Order and Purchase Window

January 1, 2022 – December 31, 2022

Can I Still Put a Bike on Backorder With My Local Shop?

Yes. If your local retailer doesn't have the size or color you really want, ask them to put it on order for you. Please know that some shops might ask you to put a deposit down on a backordered bike. When it comes in, you can still purchase it at the discounted price. To find a participating retailer in your area or contact your coach or local league director.

What About Level 3 Coaches?

Due to ongoing inventory shortages, in 2022, Level 3 coaches are being offered the same in-store bike and P&A product discount as Student Athletes and L1 & L2 coaches. **We cannot offer 2021 Level 3 discounts in-store. This includes bike purchases made at retailers via Locally. A Locally purchase qualifies as an in-store purchase.**
